

## Too Near Home

### Verse 1

I've been traveling here in this life, with its heartaches trouble and strife, sometimes satan tries to tell me to turn aside, I say satan get thee behind, no returning in me you'll find, I'm too near my heavenly home where I'll abide

### Chorus

I'm too near heaven my home, too near sweet heaven's reward, I'm not returning to sin, I've made my vow, there's nothing to go back to, oh praise God heaven's in view, I'm too near my heavenly home and I'll not turn back now

### Verse 2

There is joy in going this way, it gets sweeter every day, my dear Lord is leading the way to realms above, He'll be with me until the end, be my savior guide and my friend, I'll arrive in heaven my home a perfect love

### Chorus

I'm too near heaven my home, too near sweet heaven's reward, I'm not returning to sin, I've made my vow, there's nothing to go back to, oh praise God heaven's in view, I'm too near my heavenly home and I'll not turn back now

### Chorus

I'm too near heaven my home, too near sweet heaven's reward, I'm not returning to sin, I've made my vow, there's nothing to go back to, oh praise God heaven's in view, I'm too near my heavenly home and I'll not turn back now
