

You See Beauty

Verse 1:

My hair's a mess my body's not right
My chin's grown a twin and my clothes are too tight
I can't seem to stand on my own two feet
I'm not even sure I'll make it through this week
You don't see the flaws I see but You see the best in me

Chorus:

Lord, You take all my mess
And turn me into a princess
You see beauty
All the things I don't like
They are precious in your sight
You see beauty
Even though it's hard to see past the outside
It's the inside that matters anyhow
You see beauty

Verse 2:

You tell me that I'm wonderfully made
I'm a child of the King and I like it that way
You love me just the way that I am
You have washed me clean by the blood of the lamb
The old me has passed away now I don't have to be ashamed

Chorus:

Lord, You take all my mess
And turn me into a princess
You see beauty
All the things I don't like
They are precious in your sight
You see beauty
Even though it's hard to see past the outside
It's the inside that matters anyhow
You see beauty

Chorus:

Lord, You take all my mess
And turn me into a princess
You see beauty
All the things I don't like
They are precious in your sight
You see beauty
Even though it's hard to see past the outside
It's the inside that matters anyhow
You see beauty
